Test Results:

Sr. No.	Test Parameters	Test Method	Units	Results
1	Purity as NaCl Content	Argentometric Titration	%	99.4
2	Moisture	Oven Dry Method	%	0.004
3	Water Insoluble	Gravimetric Method	%	0.09
4	Sulphate (SO ₄)	Spectrophotometric Method	mg/kg	282
5	Iron (Fe)	ICP-OES	mg/kg	37.25
6	Calcium (Ca)	Titrimetric Method	mg/kg	101.3
7	Magnesium (Mg)	Titrimetric Method	mg/kg	57.6

Note:

N.D = Not Detected
mg/kg = milligram per kilogram

- The results relate only to the items tested without prejudice.

-----END OF REPORT-----

TERMS & CONDITIONS FOR TESTING

1. Tti Testing Laboratories will conduct tests in accordance with and subject to the terms & the conditions herein contained. The conditions may only be modified by a variation expressed in writing and signed on behalf of the company by a Director and no other action on the part of Tti Testing Laboratories or its employees or agents shall be construed as an acceptance of any other terms & conditions.
2. It shall be the responsibility of the client to ascertain and notify Tti Testing Laboratories of the standards with which any sample submitted for testing must comply in any country or territory in which the sample concerned is intended to be sold. In default of specific instructions Tti Testing Laboratories will adopt the test methods and standards considered most appropriate.
3. The client will ensure that clear instructions are provided to Tti Testing Laboratories in due time and are accompanied by sufficient information to enable the required services to be performed effectively.
4. Tti Testing Laboratories will subject to the clients requirements test any sample submitted to it or sampled by Tti Testing Laboratories from bulk to ascertain its conformity or otherwise with contract description or sample. In no circumstances will Tti Testing Laboratories render any opinion as to the fitness of any sample from the purpose for which it is said to be intended unless in any specific case Tti Testing Laboratories is requested so to do and agrees so to do in writing.
5. A Test Report issued by Tti Testing Laboratories shall refer only to the sample actually tested and shall not refer or be deemed to refer to bulk from which such a sample may be said to have been obtained.
6. Test Report(s) prepared by Tti Testing Laboratories are issued subject to the condition that they are not to be made public or used in connection with or for the purpose of any advertising promotional or publicity undertaking or material whatsoever without the express consent in writing of hereto first obtained.
7. In the event that any Test Report issued by the Tti Testing Laboratories is required for use in connection with or for evidence in any Court or Arbitration proceedings Tti Testing Laboratories will render all assistance and explanation reasonably required in connection therewith but all costs and expenses incurred by Tti Testing Laboratories in giving such assistance or explanations shall be borne by the client to whose order the Test Report in question was prepared.
8. In no circumstance will the issuing of any Test Report by Tti Testing Laboratories operate or be deemed or purport to involve Tti Testing Laboratories as a party or agent in any other way in any relationship contractual or otherwise between the client for whom the Test Report shall have been prepared and any other party whom so ever.
9. In the event that any test report shall be proven inaccurate and that inaccuracy thereof shall have been caused by the act or default of Tti Testing Laboratories or its technicians or agents then and in any such case the liability of Tti Testing Laboratories shall be limited to retesting or refunding to client of whom the Test Report shall have made free of interest the fee paid to Tti Testing Laboratories.
10. In the process of testing Tti Testing Laboratories may use any alternate method or input which had been tested through internal testing to have the same effect. Due to unavailability or unavoidable circumstances.
11. Samples received at Tti Testing Laboratories without sufficient information to proceed with testing and samples for which the client does not give a clear consent to bear the cost of the required or requested testing, will be held and stored for a maximum of 30 days after which they would be disposed.
12. The Tti Testing Laboratories shall be entitled at its discretion to delegate the performance of the whole or any part of the services contracted for with the principal to any agent or subcontractor.
13. Every Officer, employee, agent or subcontractor of Tti Testing Laboratories shall have the benefit of the limitation of liability and the indemnities contained in the general conditions. So far as relates to such limitation and indemnities, any contract entered into by the Tti Testing Laboratories is entered into not only its own behalf but also as agent and trustee for every such person as aforesaid.
14. If the requirements of the client necessitate the analysis of sample by the principal or by any 3rd party, Tti Testing Laboratories will pass on the result of the analysis but without responsibility for its accuracy. Where the Tti Testing Laboratories is only able to witness an analysis by the principal or by any 3rd party the Tti Testing Laboratories will provide confirmation, if such be the case that a correct sample has been analyzed but will not otherwise be responsible for the accuracy of such analysis.
15. Tti reserves the right to file a suite in the court of law to recover the due amount in the case of nonpayment in 65 days.
16. Samples for testing will be disposed off at the discretion of Tti Testing Laboratories after expiry of 30 days or mentioned otherwise, from the date of test report, unless a written request and pick up arrangements are made by client for their return.
17. Payment Terms: Test charges need to be paid in advance.
18. On the request of Client, Tti Testing Laboratories may forward Samples/Test Reports to the Client and all costs involved in such a request to be borne by the Client.
19. This report shall not be reproduced except in full without prior authorization from Tti Testing Lab.
20. Uncertainly Values can be provided upon receipt of a request along with the Requisition Form.
